

CLA Brand & Design Language OS v1

Master Working Draft

This cumulative document contains every approved section. Approved sections remain frozen unless the project owner requests changes.

Section 1. Brand Personality (APPROVED)

Elegant • Minimal • Vibrant. Elegant through craftsmanship and restraint, minimal through clarity and intentional spacing, vibrant through carefully chosen color, photography, and moments of energy.

Section 2. Visual Direction (APPROVED)

Apple-level product quality combined with a modern premium church aesthetic. Timeless, welcoming, professionally crafted, always pointing people back to Jesus through clarity.

Section 3. Official Color System (APPROVED)

Royal Blue primary. Dark Navy foundation. White and Warm Ivory backgrounds. Gold as restrained secondary accent. Orange as supporting accent. Elegant gradients allowed. Ministries may have unique accent colors while remaining unmistakably CLA.

Section 4. Typography (APPROVED)

Apple-inspired modern plus elegant editorial typography. Two font families by default. Bold headings, highly readable body text, very strong hierarchy, mixed alignment, rounded buttons, generous white space, moderate motion, mostly solid typography colors.

Section 5. Photography (APPROVED)

Authentic real moments. Never staged or stock-like. Tone matches the story. Balanced layouts and storytelling. Preserve natural image orientation. One strong image per section. Minimal effects. Signature hero photo on every major page.

Section 6. Layout & White Space (APPROVED)

Balanced layouts. Medium content width. Balanced spacing. Large Apple-inspired rounded corners. Mixed symmetry. Cards as core component. Whitespace separates sections. Signature layouts may break the grid. Premium card forms. Desktop primarily two-column. Mobile single-column by default. White space is a design element.

Section 7. Cards (APPROVED)

Premium, elegant, minimal cards. Mixed backgrounds. Subtle shadows. Thin borders. Consistent radius. Glass only for premium moments. One purpose per card. Interactive. One primary CTA. Equal heights in grids. Elegant non-emoji icons.

Section 8. Radius & Shadows (APPROVED)

Radius system: Small 12px, Medium 20px, Large 28px. One subtle neutral shadow across the site. Hover subtly increases elevation. Colored shadows only for premium moments. All elevated components use the shared system. Focus uses Royal Blue outline plus subtle shadow. All UI follows the shared radius system. Hero sections also use the 28px radius.
