

CLA Page Blueprint OS v1

Section 1 — Home Page Blueprint

STATUS: IN PROGRESS

Purpose

The Home Page is the main entry point for CLA.

Its purpose is to:

- * Welcome visitors.
- * Introduce the church identity.
- * Help new visitors understand who CLA is.
- * Guide people toward attending, connecting, growing, and participating.
- * Clearly point people toward Jesus and the mission of the church.

Primary Visitors

The Home Page serves:

- * First-time visitors
- * Returning members
- * Families
- * Russian-speaking visitors
- * English-speaking visitors
- * People searching for a church
- * People looking for sermons, ministries, events, or resources

Page Experience Goal

Within the first few seconds, visitors should understand:

- * Who CLA is.
- * Where CLA is located.
- * When services happen.
- * What the church feels like.
- * How they can take the next step.

Page Structure

The Home Page follows this hierarchy:

1. Hero Section

2. Welcome / Church Introduction
3. Service Information
4. Ministries Preview
5. Upcoming Events
6. Sermon / Media Preview
7. Community / Testimony Section
8. Visit CTA
9. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Create the first emotional connection with visitors.

Contains:

- * Authentic CLA photography or approved video
- * Main headline
- * Supporting message
- * Primary CTA

Primary CTA examples:

- * Plan Your Visit
- * Join Us This Sunday

Hero requirements:

- * Premium photography
- * Clear readability
- * Mobile optimization
- * Strong visual hierarchy

Section 2 — Welcome / Introduction

Components Used:

- * Header System
- * Feature Section System

Purpose:

Explain the heart of CLA.

Content:

- * Short church introduction
- * Mission
- * Values
- * Community identity

Avoid:

- * Long paragraphs
- * Overloading visitors with information

Section 3 — Service Information

Components Used:

- * Feature Section
- * Card System
- * Map Component

Purpose:

Answer the most important visitor questions:

- * When?
- * Where?
- * What should I expect?

Content:

- * Service time
- * Address
- * Location details
- * Directions

Section 4 — Ministries Preview

Components Used:

- * Ministry Components
- * Card System

Purpose:

Help visitors discover where they belong.

Possible previews:

- * Kids

- * Youth
- * Women
- * Worship
- * Prayer
- * Life Groups

Each card should include:

- * Image
 - * Ministry name
 - * Short description
 - * CTA
-

Section 5 — Upcoming Events

Components Used:

- * Event Components
- * Calendar Components

Purpose:

Show current opportunities to participate.

Content:

- * Featured events
- * Dates
- * Registration links when needed

Only current and relevant events should appear.

Section 6 — Sermon / Media Preview

Components Used:

- * Sermon Components
- * Video Components

Purpose:

Allow visitors to experience CLA teaching before attending.

Content:

- * Latest sermon
- * Featured message
- * Media CTA

CTA:

- * Watch Sermons

Section 7 — Community / Testimony

Components Used:

- * Testimonial System
- * Gallery System

Purpose:

Show authentic stories and community life.

Requirements:

- * Real people
- * Verified stories
- * Approved photography

Section 8 — Final CTA

Component Used:

CTA System

Purpose:

Provide the next natural step.

Examples:

- * Plan Your Visit
- * Join Us Sunday
- * Request Prayer
- * Contact Us

Photography Requirements

Homepage photography should prioritize:

- * Worship
- * Community
- * Families
- * Prayer
- * Real church moments

Avoid:

- * Stock photography
 - * Artificial staged images
 - * Generic church imagery
-

Mobile Requirements

Mobile Home Page must:

- * Not feel like a compressed desktop page.
 - * Maintain strong photography.
 - * Preserve clear hierarchy.
 - * Keep CTAs easy to access.
 - * Load quickly.
-

SEO Requirements

Homepage should include:

- * Church name
 - * Location
 - * Service information
 - * Clear description
 - * Structured Church data
 - * Optimized images
 - * Social sharing metadata
-

Future Expansion

Future versions may add:

- * Live stream integration
- * Personalized visitor journeys
- * Advanced event systems
- * AI-powered content discovery
- * Member experiences

Only after Version 1 proves the need.

Guiding Principle

The CLA Home Page should feel like walking through the doors of the church for the first time: welcoming, clear, authentic, and centered on Jesus.
