

CLA Page Blueprint OS v1

Section 12 — Give Page Blueprint

STATUS: APPROVED

Purpose

The Give Page provides visitors with a simple, secure, and meaningful way to support the mission and ministry of CLA.

Its purpose is to communicate generosity as an act of worship and provide clear instructions for giving.

Primary Visitors

The Give Page serves:

- * Church members
- * Regular attendees
- * First-time visitors wanting to support CLA
- * People looking for donation information
- * Individuals participating in special offerings

Page Experience Goal

Visitors should understand:

- * Why giving matters.
- * How their generosity supports the ministry.
- * How to give safely.
- * What options are available.

Page Structure

The Give Page follows this hierarchy:

1. Hero Section
2. Giving Introduction
3. Ways to Give
4. Giving Information
5. FAQ / Trust Section
6. Ministry Impact
7. Final CTA
8. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Introduce generosity as part of the CLA mission.

Contains:

- * Authentic ministry/community photography
- * Page title
- * Short message
- * Primary CTA

Possible CTA:

- * Give Now

Hero requirements:

- * Trustworthy
- * Warm
- * Simple
- * Mobile optimized

Section 2 — Giving Introduction

Components Used:

- * Header System
- * Feature Section System

Purpose:

Explain the heart behind giving.

Content:

- * Biblical generosity
- * Supporting ministry
- * Serving the community
- * Advancing the mission of CLA

The message should focus on worship and partnership, not pressure.

Section 3 — Ways to Give

Components Used:

- * Card System
- * Button System

Purpose:

Provide clear giving options.

Possible methods:

- * Online giving
- * Other approved giving methods
- * Special offerings

Each option should be simple and clearly explained.

Section 4 — Giving Information

Components Used:

- * Feature Section System
- * Information Cards

Purpose:

Answer important questions.

Possible information:

- * How donations are used
- * Security information
- * Contact information
- * Giving instructions

Only verified information should be published.

Section 5 — FAQ / Trust Section

Components Used:

- * FAQ Component (future component if approved)
- * Information Cards

Purpose:

Reduce uncertainty.

Possible questions:

- * Is online giving secure?
- * How can I get help?
- * Who can I contact?

Answers should remain simple and transparent.

Section 6 — Ministry Impact

Components Used:

- * Testimonial System
- * Gallery System
- * Feature Section System

Purpose:

Show how generosity supports ministry.

Content may include:

- * Community impact
- * Ministry stories
- * Outreach
- * Missions

Requirements:

- * Verified stories only
- * Approved photography only

Section 7 — Final CTA

Component Used:

CTA System

Purpose:

Provide a clear next step.

Examples:

- * Give Today
- * Contact Us

- * Learn More About CLA

Photography Requirements

Give page photography should show:

- * Ministry impact
- * Community
- * Service
- * Real church moments

Avoid:

- * Money-focused imagery
- * Generic donation imagery
- * Stock photos

Mobile Requirements

Mobile experience must:

- * Make giving access immediate.
- * Keep buttons clear.
- * Maintain trust and simplicity.
- * Load quickly.

SEO Requirements

Give Page should include:

- * Church identity
- * Giving information
- * Secure giving references
- * Structured organization data
- * Optimized metadata

Future Expansion

Future versions may include:

- * Giving history integration
- * Campaign pages
- * Special offering pages
- * Donor resources
- * Impact dashboards

Guiding Principle

The Give Page should make generosity simple, trustworthy, and meaningful while reflecting the heart of serving God and supporting the mission of CLA.
