

CLA Page Blueprint OS v1

Section 13 — Contact Page Blueprint

STATUS: APPROVED

Purpose

The Contact Page provides visitors with a simple and welcoming way to connect with CLA.

Its purpose is to make communication easy by providing accurate contact information, helpful resources, and clear next steps.

Primary Visitors

The Contact Page serves:

- * First-time visitors
 - * Church members
 - * People with questions
 - * People requesting information
 - * Ministry participants
 - * People seeking prayer or support
-

Page Experience Goal

Visitors should understand:

- * How to contact CLA.
 - * Where CLA is located.
 - * How to request help or information.
 - * Which communication method is best for their needs.
-

Page Structure

The Contact Page follows this hierarchy:

1. Hero Section
2. Contact Introduction
3. Contact Information
4. Location & Directions
5. Contact Form
6. Social Media Connection
7. Final CTA
8. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Create a welcoming introduction to communication with CLA.

Contains:

- * Authentic church/community photography
- * Page title
- * Short welcoming message
- * Primary CTA

Possible CTA:

- * Send Message
- * Visit Us

Hero requirements:

- * Friendly
- * Clear
- * Accessible
- * Mobile optimized

Section 2 — Contact Introduction

Components Used:

- * Header System
- * Feature Section System

Purpose:

Explain that CLA welcomes communication.

Content:

- * Invitation to connect
- * Support information
- * Guidance for visitors

The message should feel personal and approachable.

Section 3 — Contact Information

Components Used:

- * Card System
- * Information Cards

Purpose:

Provide official contact details.

May include:

- * Address
- * Phone number
- * Email
- * Service information
- * Office/contact hours (when available)

All information must be verified.

Section 4 — Location & Directions

Components Used:

- * Map Component System
- * CTA System

Purpose:

Help visitors find CLA.

Contains:

- * Map
- * Address
- * Directions button
- * Parking information (when available)

Section 5 — Contact Form

Components Used:

- * Form System
- * Input System

Purpose:

Allow visitors to send questions or requests.

Possible fields:

- * Name
- * Email
- * Message
- * Topic selection (optional)

Requirements:

- * Simple
- * Secure
- * Accessible
- * Clear confirmation after submission

Section 6 — Social Media Connection

Components Used:

- * Social Media System

Purpose:

Provide additional ways to connect with CLA.

May include:

- * YouTube
- * Instagram
- * Facebook
- * Other approved platforms

Only official accounts should appear.

Section 7 — Final CTA

Component Used:

CTA System

Purpose:

Guide visitors toward the next step.

Examples:

- * Plan Your Visit

- * Request Prayer
 - * Explore Ministries
-

Photography Requirements

Contact page photography should show:

- * Community
- * Welcome moments
- * Church environment
- * People connecting

Avoid:

- * Stock office imagery
 - * Generic contact graphics
-

Mobile Requirements

Mobile experience must:

- * Make contact actions easy to access.
 - * Provide tap-friendly phone/email links.
 - * Keep forms simple.
 - * Load quickly.
-

SEO Requirements

Contact Page should include:

- * Church name
 - * Address
 - * Location information
 - * Contact details
 - * Local SEO metadata
 - * Structured organization/location data
-

Future Expansion

Future versions may include:

- * Live chat
- * Ministry-specific contact routing
- * Automated visitor follow-up
- * Connection request tracking

Guiding Principle

The Contact Page should make every visitor feel that reaching CLA is simple, welcoming, and worth taking the next step.
