

CLA Page Blueprint OS v1

Section 14 — Resources Page Blueprint

STATUS: APPROVED

Purpose

The Resources Page provides visitors with helpful spiritual resources, teaching materials, and practical tools that support faith growth beyond Sunday gatherings.

Its purpose is to make valuable CLA resources easy to discover, access, and use.

Primary Visitors

The Resources Page serves:

- * Church members
- * First-time visitors
- * People seeking biblical resources
- * People looking for discipleship materials
- * Visitors exploring CLA teachings

Page Experience Goal

Visitors should understand:

- * What resources CLA provides.
- * How resources can help them grow.
- * Where to find teachings and materials.
- * How to continue engaging with CLA.

Page Structure

The Resources Page follows this hierarchy:

1. Hero Section
2. Resources Introduction
3. Featured Resources
4. Teaching Resources
5. Bible & Prayer Resources
6. Downloads Library
7. Media Connection
8. Final CTA
9. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Introduce CLA's resource library.

Contains:

- * Authentic teaching or Bible-focused photography
- * Page title
- * Short introduction
- * Primary CTA

Possible CTA:

- * Explore Resources
- * Start Growing

Hero requirements:

- * Calm
- * Educational
- * Christ-centered
- * Mobile optimized

Section 2 — Resources Introduction

Components Used:

- * Header System
- * Feature Section System

Purpose:

Explain why CLA provides resources.

Content:

- * Spiritual growth
- * Biblical learning
- * Discipleship
- * Encouragement

The message should focus on helping people grow in faith.

Section 3 — Featured Resources

Components Used:

- * Card System
- * Feature Section System

Purpose:

Highlight important resources.

Examples:

- * Bible plans
- * Teaching series
- * Prayer guides
- * Church materials

Each resource card may include:

- * Image
- * Title
- * Description
- * Access button

Section 4 — Teaching Resources

Components Used:

- * Sermon Components
- * Video Components

Purpose:

Connect visitors with biblical teaching.

Content may include:

- * Sermons
- * Teachings
- * Series
- * Bible studies

Section 5 — Bible & Prayer Resources

Components Used:

- * Card System
- * Ministry Components

Purpose:

Provide resources that support spiritual practices.

Examples:

- * Bible reading resources
- * Prayer guides
- * Devotional materials

Section 6 — Downloads Library

Components Used:

- * Search Component System
- * Card System
- * Pagination System

Purpose:

Organize downloadable materials.

Possible downloads:

- * PDFs
- * Guides
- * Study materials
- * Event resources

Requirements:

- * Clear filenames
- * Organized categories
- * Easy access

Section 7 — Media Connection

Components Used:

- * Video System
- * Social Media System

Purpose:

Connect visitors with additional digital content.

Examples:

- * YouTube teachings
- * Online media
- * Church updates

Section 8 — Final CTA

Component Used:

CTA System

Purpose:

Guide visitors toward deeper connection.

Examples:

- * Visit CLA
- * Join a Ministry
- * Watch Sermons
- * Contact Us

Photography Requirements

Resources photography should show:

- * Bible study
- * Teaching
- * Prayer
- * Community learning
- * Real ministry moments

Avoid:

- * Generic stock images
- * Artificial educational imagery

Mobile Requirements

Mobile experience must:

- * Make resources easy to browse.
- * Keep downloads accessible.
- * Maintain fast loading.
- * Use clear categories.

SEO Requirements

Resources Page should include:

- * Resource descriptions
- * Search-friendly titles
- * Structured metadata
- * Optimized downloadable files
- * Clear internal links

Future Expansion

Future versions may include:

- * Personal resource libraries
- * Bible reading plans
- * Online courses
- * Discipleship pathways
- * Member-only resources

Guiding Principle

The Resources Page should help people continue growing in faith by providing accessible, meaningful, and trustworthy tools from CLA.
