

CLA Page Blueprint OS v1

Section 3 — About Page Blueprint

STATUS: APPROVED

Purpose

The About Page introduces the identity, story, mission, and values of CLA.

Its purpose is to help visitors understand who CLA is, what the church believes, and the heart behind the ministry.

Primary Visitors

The About Page serves:

- * First-time visitors
- * People exploring CLA
- * New members
- * Families seeking a church community
- * People wanting to understand CLA's mission and leadership

Page Experience Goal

Visitors should understand:

- * Who CLA is.
- * Why CLA exists.
- * What CLA believes.
- * The story behind the church.
- * Who is serving the ministry.

Page Structure

The About Page follows this hierarchy:

1. Hero Section
2. Church Story
3. Mission & Values
4. Beliefs
5. Leadership Preview
6. Community Identity
7. Final CTA
8. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Introduce the heart and identity of CLA.

Contains:

- * Authentic church photography
- * Page title
- * Short introduction
- * Optional CTA

Possible CTA:

- * Plan Your Visit
- * Meet Our Team

Hero requirements:

- * Authentic
- * Welcoming
- * Christ-centered
- * Mobile optimized

Section 2 — Church Story

Components Used:

- * Header System
- * Feature Section System

Purpose:

Share the history and journey of CLA.

Content may include:

- * Beginning of the church
- * Growth story
- * Important milestones
- * Community journey

Requirements:

- * Accurate information only
 - * No invented history
 - * Approved content source required
-

Section 3 — Mission & Values

Components Used:

- * Feature Section System
- * Card System

Purpose:

Explain the purpose and priorities of CLA.

Content:

- * Mission statement
- * Core values
- * Ministry priorities

Values should be:

- * Clear
 - * Practical
 - * Easy for visitors to understand
-

Section 4 — Beliefs

Components Used:

- * Feature Section System
- * Card System

Purpose:

Explain what CLA believes.

Content may include:

- * Faith foundation
- * Biblical beliefs
- * Church identity

Requirements:

- * Accurate theological information
- * Approved church statements only

Section 5 — Leadership Preview

Components Used:

- * Staff Component System
- * Card System

Purpose:

Introduce church leadership.

Content:

- * Pastor information
- * Leadership roles
- * Short biographies

Requirements:

- * Verified information
- * Approved photos
- * Respect privacy

Section 6 — Community Identity

Components Used:

- * Gallery System
- * Testimonial System
- * Feature Section System

Purpose:

Show the people and relationships that make up CLA.

Content may include:

- * Worship
- * Groups
- * Events
- * Community moments
- * Stories

Section 7 — Final CTA

Component Used:

CTA System

Purpose:

Guide visitors toward connection.

Examples:

- * Visit CLA
 - * Explore Ministries
 - * Contact Us
-

Photography Requirements

About page photography should show:

- * Real church moments
- * Leadership
- * Worship
- * Community
- * Ministry life

Avoid:

- * Generic stock images
 - * Unverified historical images
 - * Artificial representation
-

Mobile Requirements

Mobile experience must:

- * Prioritize story flow.
 - * Maintain readable text.
 - * Present leadership clearly.
 - * Keep images optimized.
-

SEO Requirements

About Page should include:

- * Church identity
- * Location
- * Mission information
- * Leadership information
- * Structured organization data

* Optimized metadata

Future Expansion

Future versions may include:

- * Detailed history timeline
 - * Leadership profiles
 - * Ministry impact stories
 - * Interactive church journey
-

Guiding Principle

The About Page should help people understand the heart of CLA, the mission behind the ministry, and the community they are invited to join.
