

STATUS: APPROVED

Purpose

The Ministries Page introduces visitors to the different ways people can connect, serve, grow, and participate in the life of CLA.

Its purpose is to help visitors discover where they belong and find ministry opportunities that match their season of life.

Primary Visitors

The Ministries Page serves:

- * First-time visitors
 - * Families
 - * Children and youth
 - * Adults looking for community
 - * People interested in serving
 - * Existing members exploring ministries
-

Page Experience Goal

Visitors should understand:

- * What ministries exist at CLA.
 - * Who each ministry serves.
 - * How they can get involved.
 - * What the next step is.
-

Page Structure

The Ministries Page follows this hierarchy:

1. Hero Section
2. Ministry Introduction
3. Ministry Categories
4. Featured Ministries
5. Community Connection
6. Ministry CTA
7. Footer

Section 1 — Hero

Component Used:

Hero System

Purpose:

Introduce the heart of CLA ministries.

Contains:

- * Authentic ministry photography
- * Page title
- * Short welcoming message
- * Primary CTA

Possible CTA:

- * Find Your Ministry
- * Get Connected

Hero requirements:

- * People-focused photography
- * Clear message
- * Strong mobile experience

Section 2 — Ministry Introduction

Components Used:

- * Header System
- * Feature Section System

Purpose:

Explain why ministries exist.

Content:

- * Building community
- * Growing in faith
- * Serving others
- * Creating connection

The message should focus on people and spiritual growth.

Section 3 — Ministry Categories

Components Used:

- * Ministry Components
- * Card System

Purpose:

Provide an organized overview of available ministries.

Possible categories:

- * Kids
- * Youth
- * Women
- * Men
- * Worship
- * Prayer
- * Life Groups
- * Missions
- * Outreach

Each ministry card may include:

- * Image
- * Ministry name
- * Short description
- * CTA

Section 4 — Featured Ministries

Components Used:

- * Feature Section System
- * Gallery System
- * Event Components

Purpose:

Highlight active ministries and current opportunities.

Content may include:

- * Upcoming ministry events
- * Stories
- * Programs
- * Volunteer opportunities

Section 5 — Community Connection

Components Used:

- * Testimonial System
- * Gallery System

Purpose:

Show the impact of ministries through real people.

Content:

- * Verified stories
- * Ministry moments
- * Community experiences

Requirements:

- * Authentic content only
- * Approved photography only

Section 6 — Ministry CTA

Component Used:

CTA System

Purpose:

Guide visitors toward involvement.

Examples:

- * Join a Ministry
- * Contact a Leader
- * Attend an Event
- * Request Information

Photography Requirements

Ministry photography should show:

- * Real people
- * Real relationships
- * Worship
- * Service

- * Community
- * Ministry activities

Avoid:

- * Stock images
 - * Generic ministry imagery
 - * Unverified photos
-

Mobile Requirements

Mobile experience must:

- * Make ministry discovery simple.
 - * Use clear categories.
 - * Prioritize touch-friendly cards.
 - * Maintain fast image loading.
-

SEO Requirements

Ministries Page should include:

- * Ministry descriptions
 - * Church identity
 - * Location
 - * Individual ministry page links
 - * Structured content
 - * Optimized metadata
-

Future Expansion

Future versions may include:

- * Individual ministry dashboards
 - * Ministry registration systems
 - * Volunteer matching
 - * Personalized recommendations
-

Guiding Principle

The Ministries Page should help every visitor discover a place to belong, grow, and serve within the CLA community.
